Many attachments are mandated by law to be included with the bid submission, and failure to include certain ones of them cannot be repaired after bids have been opened. This is why the Bidder's Checklist should be checked with care.

However, please note that some appendices may be requested to accompany the bid, but are not mandated by law to be attached to the bid at time of submission. In such cases listed below, the requested documents still must be provided to the Owner prior to award of contract. Since the Bidder may not be fully aware of the Owner's intended date for resolving to award the contract, The Board of Education is requesting the provision of such documents with the Bid, so that Bidders can assure themselves that they have complied with the legal deadline for sure. Bids may not be rejected solely for lack of those exhibits listed below:

Appendix N1 – Contractor Registration Certificate (Department of Labor, Division of Wage and Hour Compliance) Sample certificate enclosed. Contractor may provide copy of originals with bid submission (**for both Bidder and ALL Subcontractors**), but must submit the Certificate prior to the date of contract award, confirming that the Registration was in effect on the date of the bid submission.

Appendix N2 – Business Registration Certificate. Sample certificate enclosed. Contractor may provide copies of original documents as part of bid submission **for both Bidder and ALL Subcontractors,** but must submit the Certificate prior to the date of contract award, confirming that the Registration was in effect on the date of the bid submission.

Post bid submittals:

In addition to Appendices N1 and N2 listed above, which may be submitted post bid, but still prior to award of contract, the successful bidder must submit, prior to award of contract, a Certification of Non-Debarment for Federal Government Contracts per N.J.S.A. 52:32-44.1 (P/L/ 2019, c.406). The required Certification form may be obtained from the District's Business Administrator. It must be completed, signed, and submitted prior to award of contract.

This Certification of Non-Debarment for Federal Government Contracts is not the same as Appendix S in this Section, which is to be submitted with the bid by all bidders. This post-bid Certification of Non-Debarment by the successful bidder discloses information on those persons or entities having a controlling interest (more than 50% ownership) in the bidder. It also contains controlling ownership information on any affiliated companies owned or controlled by the bidder or its owning or controlling entities. Submittal by the successful bidder, and review of the completed Certification by the District are both required prior to award of contract to the successful bidder.
