Adopted by the Glen Rock Board of Education in the County of Bergen at a public meeting held in Glen Rock, New Jersey on the 23 day of June, 2020.

FOREWORD

The Board of Education has authorized the Superintendent to promulgate administrative regulations except where approval by the Board is required by statute or administrative code for the orderly operations of the Glen Rock School District that are binding on all students, employees, and visitors to the district.

These administrative regulations are intended to give direction to staff members in carrying out Board policies, statutory mandates, and contractual obligations. The operations directed by these regulations should be efficient, amenable to assessment, and considerate of the needs and rights of students and employees. Any suggestions for additions or improvements that help attain these objectives are welcome.

These regulations apply to the entire school district. Principals may establish additional rules as necessary to apply these regulations to their school, provided that school rules do not exceed the authority set forth in these regulations.

These regulations will be made available to each employee. Employees and students who violate these regulations are subject to disciplinary action.
